

Deer Lake Child Care Inc.

2024/25 Parent Agreement for:

Child's Name: _____

Child's Birth date: _____

I agree to keep the teachers/manager informed of events, or changes in my child's life, which might affect my child in his/her ability to have success in the Child Care Program. It is my responsibility to keep all information on the Intake Form current throughout the school year.

I am aware that Samantha Fung is the manager of Deer Lake Child Care and Deer Lake East Early Years Care & Learning. If I have concerns about the program or my child's development, I will contact either the manager, Samantha Fung at [siuto112@hotmail](mailto:siuto112@hotmail.com) / 604-338-3438 or the Team Lead, Elizabeth or Jana at deerlakepreschool@yahoo.ca to discuss my concerns to *ensure that the program functions smoothly, the following established policies and procedures are agreed to, by the parents / guardians, at the time of the child's enrollment.*

Philosophy:

I understand At Deer Lake Child Care Inc., the program aims to provide an environment that invites active engagement and exploration for all children. The teachers must take into account each child's interests, needs, and strengths, in order to successfully co-construct (build together) curriculum.

The teachers realize that each child is unique and will approach their learning in their own time and style. They strive to accommodate each type of learner through activities, equipment and the materials offered. The staff at Deer Lake Child Care recognize social and emotional development as key to every child's success. Through positive teaching of these important life skills, they believe that children will be primed for pro-social behaviour.

I understand the programs follow emergent curriculum, which means that the curriculum is based on the interests of the children in our group. I understand Deer Lake Child Care Inc. is an inclusive program which means that all families are welcomed. They adjust and modify the program to meet the needs of each individual child.

I understand the program is play based. I agree and recognize the importance of play in a child's development. While academic skills are included in our curriculum, they are always explored through play and adjusted to the individual skill level of each child.

I understand my child is going to engage in active exploration, in both indoor and outdoor settings, and I am aware to provide proper footwear, rain and winter gear, and casual clothing for my child to feel comfortable to wear.

Initial:

Arrival / Departure / Absence:

I recognize the importance of my child participating in the whole child care program and will be prompt in bringing, and picking up, my child. I, or a responsible adult, will accompany my child to and from the classroom of the centre and will sign my child in and out each day.

I will notify the centre, in advance, if someone other than those named on the registration form, will be dropping off and/or picking up my child. I will inform the centre of my child's absence, by telephone 604 294 4988 or by email: deerlakepreschool@yahoo.ca

I understand that the centre will be responsible for my child when signed-in to the program. To avoid confusion, please leave the play area with your child once they are signed out.

Deposit and enrollment:

I understand the deposit is for securing a spot, is non-refundable and is applied to the first monthly fee. I understand if I need to register for 3 days per week, at least one of these days must attach a Monday or Friday in the enrollment.

Changes in enrollment (Switching / adding / reducing days):

If it becomes necessary that my family requests to switch registered days for the current enrollment for any reason, 45 days written notice is required to be given to the centre.

Program Fees:

Fees are due on the 1st of every month in advance of the month of care. I understand I need to supply the child care centre with 6 months of post-dated cheques for two time periods: September to February and March to August. A reminder of the next pay period will be sent in the previous month.

**Deer Lake Child Care Inc. will no longer accept e-transfer as a method for paying monthly fees.*

**Please note that there are no refunds for illness, vacations statutory holidays, extreme weather, and safety concern closures.*

**NSF Fee of \$35 is applied for bouncing cheques.*

**All cheques are payable to Deer Lake Child Care Inc.*

For families who are applying ACCB, if the approval is not received by August 15. We ask families to provide us with 3 months of post-date cheques (September, October and December). If we haven't heard from the ministry by December 15 of the current school year, it is family's responsibility to submit the set of post-dated cheques for every 6 months accordingly.

A late fee of \$25 will be charged for fees not received on the 1st unless there has been a previous arrangement made.

Initial

Late Pickup:

I understand that 'Late Fees' will be charged for late pick up when pick up is over 5 minutes late. While we understand that life is busy and sometimes circumstances get in the way we ask that you make every possible effort to pick up on time. The first five minutes is considered a grace period. After that time, we will charge \$1 per minute. This will go to pay for the teachers who will need to remain late for your child.

Withdrawal:

If a family deems it necessary to withdraw their child, **written notice must be given at least 45 days in advance before the last day of attendance. All enrolment is on a monthly basis.** For example, if the family wants their child to have the last day on June 30, notice must be given on or before May 15. We ask that all families respect this in order to give the next family time to make their arrangements. Any remaining un-cashed cheques will be returned to you upon receipt of 45-days-notice and after the current month's cheque has cleared the bank. Please note that there are no refunds for illness or vacations.

Initial

Health:

My child will not come to school when ill (feverish, frequent coughing, runny nose becomes yellowish or greenish, vomiting, diarrhea, unexplained pain etc.), and I will notify the staff, by telephone, of his/her absence, as well as the nature of the illness. I realize that my child cannot return to school until at least 24 hours after the illness subsides, and the child is well again. **The illness cannot be controlled by medication**, for example if a child has a fever and is given Tylenol to bring down the fever the child must not return to the centre until the fever no longer requires medication. I understand that the staff has the right to exclude my child from the center, for the well-being of him/her, or others. I hereby authorize the staff to send my child home, accompanied by a responsible adult, if ill; and in the case of an emergency, to call an ambulance and/or my doctor, when I cannot be reached. I will outfit my child in appropriate clothing so that he/she may take full advantage of all indoor, outdoor, and messy play. I realize that smoking is not permitted inside or on the property of the child care building, or during center outings, when in the company of any children.

I will have a Plan of Action in place in case I am called because my child is feeling sick at the centre.

Allergies:

I understand that it is my responsibility to inform the staff of any allergies that my child has and/or develops, at my time, during the school year. I understand that Deer Lake Child Care Inc. is covered by a standard daycare liability insurance policy (Magenta Insurance), in the amount of \$5 million. In case of any injury to my child while in the care, custody, or control of Deer Lake Child Care Inc., whether in the centre, on an outing, or in the vehicle of a parent volunteer driver, I hereby waive all claims against the child care centre, the staff or volunteer parent driver, above the said amount.
